

From the Vatican 5 September 2019

Madame,

His Holiness Pope Francis has received your letter. He thanks you for the attachment and the trust you have shown in him as well as for the PAW Madagascar presentation.

The Holy Father is touched by your generous commitment towards the protection of creation in Madagascar and the support for the people who live there. Always improving their lives in faith, he invites all the members to persevere in the service of their **impoverished** brothers, and to offer their prayers and their efforts to his ministry Successor of Peter. Trusting you, as well as all the people who work at PAW Madagascar, with the intercession of the Virgin Mary, Pope Francis blesses you with all his heart.

I pray for you to believe, Madame, my religious devotion.

Mgr Paolo Borgia

Assistant
