

PAW MADAGASCAR

NEWSLETTER 2010

Dear Friends and Supporters of PAW Madagascar,

We wish you all a very happy, prosperous and peaceful 2011.

2010 Year in review

The year has been spent consolidating our gains and constructing plans for 2011 at Beza Mahafaly Special Reserve and surrounding villages.

PAWM representatives Romy Shiffer and Tsu Andriamora were in Beza in July starting to forge relationships with local people.

Again, we are tremendously grateful for your support in all its forms – financial, veterinary drugs, encouragement and volunteering. The number of people volunteering has been wonderful. Thank you.

We would also like to thank our 3 major sponsors. Coverforce www.coverforce.com.au for another year of much needed financial support. We are delighted to have Cenvet Australia www.cenvet.com.au supporting us with veterinary drugs and last but not least support from Vaucluse Vet Clinic www.vauclusevetclinic.com.au

Plans for 2011 include:

- A PAWM trip to Beza is being planned for July 2011.
- Further development of the infrastructure of PAWM in Madagascar, comprising local Malagasy people aided by visiting volunteer vets, vet nurses and assistants.

These are always undertaken with the vision of making a difference in and around Beza Mahafaly Special Reserve for the local people and the wildlife.

Best wishes

The Management Committee - PAW Madagascar
